Second generation MISSIONARIES TO BRAZIL

"I will declare thy name unto my brethren: in the midst of the congregation will I praise thee" Ps. 22:22 KJV

Nov. ~ Dec. 2015

Greetings from the field,

As we begin every ministry update, we can't seem to start each one without first being prayerfully grateful to God, for our prayer and financial support from the home front. With every passing month, we reflect in awe at the One "*who hath wrought and done it*" - Is. 41:4a. Thank you for your prayers, and financial support on our behalf.

Missions Sunday - We held our first Missions Sunday several weeks back, and thoroughly enjoyed God's marvelous blessing throughout. Presently our church supports one missionary family, and we had them come in on this special Sunday to present themselves and their ministry to our people. We believe in reaching the world with the gospel, and every opportunity the Lord gives us, we either preach, or insert some missions emphasis into the preaching, but up until our Missions Sunday service, our people hadn't truly grasped onto this important area of worship - "giving to missions." With a couple exceptions, giving towards missions is new to our people. They understand the command to "Go," but haven't been properly instructed on the necessary financial aspect of "Going."

Words cannot truly express the joy in our hearts as we witnessed the Holy Spirit move in peoples hearts during this special service. As I readied myself at the pulpit to proceed with the message on the eve of that blessed service, the Lord put it in my heart to give our people an opportunity to share testimonies of what they had witnessed that day. As the testimonies progressed, the Holy Spirit moved in such a marvelous way, moving several into confessing, and making commitments of faith in this important matter, amen! praise the Lord!

Discipleship Bible Study - Our weekly discipleship Bible study continues strong, and has proven beneficial to all. God has greatly blessed each student in particular ways, and one of our men is putting his learning to practice now by helping teach our adult Sunday School class.

2016 Plans Prayer Request - Would you join with us in praying for our 2016 plans and needs. One of our plans / needs for the coming year entails the purchase of property for a church building. We believe that God has already made the preparations for this great need, all we need to do is take that required step of faith. Currently, the initial financial aspect of this need ranges from \$47,000 to \$50,000 dollars.

Merry Christmas - "*behold, I bring you good tidings of great joy, which shall be to all people*" - Lk. 2:10, Jesus is here! Our family desires that you will experience great, and unmeasurable joy throughout this Christmas season. Merry Christmas to you and your family, from ours...
